

HUCKY EICHELMANN

GUITAR

"When I heard Hucky's guitar playing in Los Angeles, I was extremely impressed and admired his virtuosity and mastery in playing different styles apart from playing the strictly classical. He is a sensitive and wonderful musician."

• Pandit Ravi Shankar • Indian sitar legend & BEATLES Guru

"Hucky Eichelmann is a great guitarist, arranger, interpreter and composer. I really love his Asia albums. He looks deeply into the soul of many cultures. He is truly a world citizen musically and plays with great heart and soul."

• George Winston, GRAMMY AWARD winner - new age piano

Magical Melodies of Thailand & Beyond brings the sounds of Thailand to international audiences through a programme that spans timeless melodies, contemporary Thai music and works inspired by neighbouring cultures.

In Hucky Eichelmann's unique guitar arrangements, the music reveals the richness of Thailand's cultural heritage while offering audiences a glimpse of the country's landscapes, spirit and creative identity.

As the tour travels across Europe, it celebrates music as a bridge between cultures, bringing Thailand's musical voice into dialogue with the wider world and strengthening cultural connections through the universal language of music.

A MUSICAL BRIDGE BETWEEN EAST AND WEST

With a career spanning more than five decades, Hucky Eichelmann has established himself as one of Asia's most distinctive guitarists and an internationally respected cultural ambassador. Classically trained yet never confined by convention, he has created a unique musical language that brings together the traditions of East and West, blending classical, folk and contemporary influences in performances celebrated for their artistry, imagination and cultural depth.

HUCKY EICHELMANN

Based in Thailand for more than four decades, Hucky has played a pioneering role in the country's cultural development through his leadership of landmark festivals and concert series, helping to broaden Thailand's performing arts landscape while fostering international artistic exchange. His acclaimed recordings—including his celebrated interpretations of the music of His Majesty King Bhumibol Adulyadej the Great (King Rama IX)—together with albums such as *Gamgah Gamgah*, *Magical Melodies of Thailand*, *ASEAN Guitar*, and *With Love from Asia*, have introduced generations of listeners to the richness of Thai and Asian music.

The acclaimed *Magical Melodies* concert series has become one of the defining threads of Hucky's artistic journey, reflecting his lifelong commitment to preserving and sharing Thailand's musical heritage. Among its notable presentations was *Magical Melodies: A Tribute Concert to the Kings*, staged at the historic *Mrigadayavan Palace* in honour of the artistic legacies of King Rama VI and King Rama IX.

Hucky has represented Thailand at prestigious international events and collaborated with many of the world's leading musicians and performing artists, including Ravi Shankar, KITARO, Pat Metheny, George Winston, Richard Harvey, Martin Taylor, Carlos Bonell, Paco Peña, Xuefei Yang, the Stuttgart Ballet and Les Ballets Jazz de Montréal. International media have recognised him as a "Musical Ambassador between East and West."

Hucky plays Gerhard Schnabl guitars, Udo Roesner amps and PYRAMID strings
