

Hucky Eichelmann: Magical Melodies of Thailand & Beyond

European Concert Tour 2026

Thai music and culture take centre stage in *Magical Melodies of Thailand & Beyond*, an international concert tour by German-born guitarist and long-time Thailand resident Hucky Eichelmann, traveling across Europe during September 2026.

The tour brings the sounds of Thailand to audiences in **Sulzburg, Bonn, Budapest, Brussels** with a wrap-up show in **Bangkok**, with concerts presenting traditional melodies, contemporary Thai music and works inspired by the musical cultures of Thailand and its neighbouring countries.

In Hucky Eichelmann's distinctive guitar arrangements, melodies become more than music. They carry stories of Thailand's regions, history, landscapes, ways of life and cultural connections. Rhythms from different parts of the country reveal the character and energy of their places, while pieces drawing on Thai, Chinese, Burmese and Southeast Asian musical traditions reflect the cultural exchange that has shaped the region.

The idea of *Beyond* extends this musical conversation outward, placing Thailand's musical voice in dialogue with the wider world. For European audiences, the concert offers a different way of discovering Thailand—not simply through images of destinations, but through sound, stories, culture and the emotions they evoke.

Having lived, worked and created in Thailand for nearly five decades, Hucky brings a unique perspective as an international cultural storyteller. His long relationship with Thailand allows him to share its music and culture from personal experience, connecting **Music - Culture - Lifestyle - Destination** in a way that is both authentic and accessible to international audiences.

The tour also reflects the growing importance of meaningful cultural experiences: moments to pause, listen and connect beyond the pace of everyday life. In this sense, music becomes a natural meeting point between culture, experience and the spirit of Thailand.

Magical Melodies of Thailand & Beyond – European Concert Tour 2026 is supported by the **Ministry of Foreign Affairs of the Kingdom of Thailand, Tourism Authority of Thailand (Amazing Thailand), Thai-German Association Cologne** and the **Royal Thai Embassy Berlin**. The concerts will be presented by the **Royal Thai Embassies** in **Budapest, Brussels**, the **Thai-German Association** in Bonn and the **Friends of Culture** in **Sulzburg**.
